The Bonfire: Forsaken Lands By: Xigma Games. After investing several hours into Xigma Games' The Bonfire: Forsaken Lands, I realized there were things I wish I had known from the beginning so I wouldn't have wasted so much time just waiting for things to happen. So I decided to put a guide together for those looking for help.

Right-click on an already lit fire, select "Use", and then choose "Add to bonfire". Left-click on the log to open the "Choose a Tool" interface while standing near a fire and then select "Add to bonfire". Just like when chopping down a tree, logs will continue to be added to the fire without needing to click constantly.
