Organizational Behaviour: Concepts, Controversies ...

Organizational Behaviour, Eighth Canadian edition, is truly a Canadian product. While it draws upon the strongest aspects of its American cousin, it expresses its own vision and voice. It provides the context for understanding organizational behaviour (OB) in the Canadian workplace and highlights the many Canadian contributions to the field.

Organizational Behaviour: Concepts, Controversies ...

Unlike any other OB textbook in the market, Neubert, Dyck, Medcof and Wallers, Organizational Behaviour empowers students to look at OB through two lenses: the traditional, core concepts that focus on how to make a company profitable, and the sustainable, collaborative, creative, and ethical decision making lens that students and many employers of today are looking for in business. By inviting ...

Delivering what we've come to expect from this author team, McShane/Von Glinow 6e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Sixth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. The McShane and Von Glinow text is acclaimed for: □ Readability, presentation of current knowledge □ Linking OB concepts and theories with reality □ Strong International/Global orientation □ Contemporary Theory Foundation (without the jargon) □ Active Learning and Critical Thinking Support □ Textbook's philosophy-OB knowledge is for everyone, not just traditional managers. Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

In their substantially revised Third Edition, McShane and Von Glinow continue the trailblazing

innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. Acclaimed for its readability and presentation of current knowledge, this textbook's philosophy is that OB knowledge is for everyone, not just traditional managers. The new reality is that everyone -- sales representatives, production employees, physicians -- needs OB knowledge to successfully work in and around organizations. Organizational Behavior, 3rd Edition, is unparalleled in its ability to engage students by bringing cutting edge OB concepts closer to reality through the 'theory-practice link' approach. McShane and Von Glinow help readers connect OB theories to emerging workplace realities through hundreds of fascinating real-life stories from across the United States and around the world. McShane/Von Glinow's Organizational Behavior 3rd Edition also continues to be the source of the hottest topics, such as: workaholism, virtual teams, corporate social responsibility, Schwartz's values model, innate drives theory, workplace emotions, executive coaching, guanxi, appreciative inquiry, social identity theory, workplace bullying, workplace justice, and much, much, more.

The #1 Canadian and only 100% Canadian-authored Organizational Behaviour text has been thoroughly updated and finely tuned to reflect the continuous changes Canadian organizations face in today's business world. There's a revolution going on in the workplace. Knowledge is replacing infrastructure. Self-leadership is replacing direct supervision. Networks are replacing hierarchies. Virtual teams are replacing committees. Companies are looking for employees with emotional intelligence, not just technical smarts. Globalization has become the mantra of corporate survival. Co-workers aren't just

down the hall; they're at the other end of an Internet connection. Canadian Organizational Behaviour (COB) is written with this revolution in mind

For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. Organizational Behaviour, 6ce is the most student-engaging comprehensive book in the market. It makes OB relevant to students, no matter what their background, work experience or their career goals. MyOBLab is not included with the purchase of this product.

Organizational Behavior 6th edition by Colquitt, LePine, and Wesson continues to offer a novel approach using an integrative model and roadmap to illustrate how individual, team, leader, and organizational factors shape employee attitudes, and how those attitudes impact performance and commitment. This model reminds students where they are, where they've been, and where they're going. They include two unique chapters on job performance and organizational commitment. Those topics are critical to managers and students alike, and represent critical outcomes in OB. Each successive chapter then links back to those outcomes, illustrating why OB matters in today's organizations.

Organisational Behaviour 6e and its rich suite of digital educational resources leads the market in this exciting field. Now in its sixth edition, the engaging text has been developed to satisfy the evolving needs of learners and academics with its offerings of contemporary theory and research, real-world examples, learning resources and visually stimulating design. **CONTEMPORARY AND INFORMED**

New and updated discussions of current theories and practice that encourage critical analysis Features that reinforce the text's Asia-Pacific focus as well as its global orientation RELEVANT AND ENGAGING New OB Insight and OB Ethics features New and revised chapter opening vignettes New end-of-chapter and holistic case studies help students practise their diagnostic skills and apply OB concepts Updated OB by the Numbers features highlight interesting survey results ENABLES EFFECTIVE LEARNING Organisational Behaviour 6e is recognised for its up-to-date content presented in a clear, focused, accessible and thought-provoking style that enables learners to link theories with real-world practices.

"At last there is a lucid, well-written OB book, which covers key issues required in OB teaching, but which has a mind of its own. Students and faculty will recognize this is more than standard fare." - Bill Cooke, Manchester Business School

Jones/Haddad - Essentials of Contemporary Management, "Makes Management Real" for students. The sixth Canadian edition presents management in a way that makes its relevance obvious even to students who may lack exposure to a "real-life" management context. Jones relates management theory to real life examples and drives home the message that management matters. Management matters because it determines how well organizations perform, and because managers and organizations affect the lives of people who work inside and the people outside the organization, such as customers, communities, and shareholders. Essentials of Contemporary Management, Sixth Canadian edition, provides a concise

offering of current management theories and research. Through a variety of real world examples from small, medium, and large companies, students learn how those ideas are used by practicing managers. The organization of the Jones text follows the mainstream functional approach of planning, organizing, leading, and controlling, but the content is flexible. The important themes of diversity, ethics, globalization, and information technology are integrated throughout with examples, strengths, weaknesses, opportunities, personalities, and problems to provide this context.
