Steps & Examples

There may be stories that blur the lines but as a beginner writer it is best to start out by keeping within the genre. Experiments will work better as you gain experience. At that stage your publisher also has more confidence that the book will sell. Most writers are either Plotters or Pantsers depending on their writing method.

An anchor chart will guide your whole writing unit. This is where you will list all the skills you teach students throughout your unit. I urge my students to draw pictures and write what is on the anchor chart in their own words. I also like to start some days with students reviewing what they learned the day before using the anchor chart.
