The turbulence of Chapter 7 gives clear indications of what Gatsby, Daisy, Tom, and even Nick are about. Unfortunately, for three of the four, the revelations are complementary. As the weather of the novel becomes increasingly hotter and more oppressive, Fitzgerald finally gets to the heart of the love triangle between Gatsby, Daisy, and Tom, but lets it speak poorly of all the participants.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

*Chapter 7 | SparkNotes*

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

Satyricon is a Latin work of fiction in a mixture of prose and poetry (prosimetrum). It is believed to have been written by Gaius Petronius. As with the Metamorphoses of Apuleius, classical scholars often describe it as a "Roman novel," without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character.

New York Times Bestseller: “A marvelously readable biography” of the couple and their relationships with Picasso, Fitzgerald, and other icons of the era (The New York Times Book Review). Wealthy Americans with homes in Paris and on the French Riviera, Gerald and Sara Murphy were at the very center of expatriate cultural and social life during the modernist ferment of the 1920s. Gerald Murphy—witty, urbane, and elusive—was a giver of magical parties and an acclaimed painter. Sara Murphy, an enigmatic beauty who wore her pearls to the beach, enthralled and inspired Pablo Picasso (he painted her both clothed and nude), Ernest Hemingway, and F. Scott Fitzgerald. The models for Nicole and Dick Diver in Fitzgerald’s Tender Is the Night, the Murphys also counted among their friends John Dos Passos, Dorothy Parker, Fernand Léger, Archibald MacLeish, Cole Porter, and a host of others. Far more than mere patrons, they were kindred spirits whose sustaining friendship released creative energy. Yet none of the artists who used the Murphys for their models fully captured the real story of their lives: their Edith Wharton childhoods, their unexpected youthful romance, their ten-year secret courtship, their complex and enduring marriage—and the tragedy that struck them, when the world they had created seemed most perfect. Drawing on a wealth of family diaries, photographs, letters and other papers,

as well as on archival research and interviews on two continents, this “brilliantly rendered biography” documents the pivotal role of the Murphys in the story of the Lost Generation (Los Angeles Times). “Often considered minor Lost Generation celebrities, the Murphys were in fact much more than legendary party givers. Vaill’s compelling biography unveils their role in the European avant-garde movement of the 1920s; Gerald was a serious modernist painter. But Vaill also shows how their genius for friendship and for transforming daily life into art attracted the most creative minds of the time.” —Library Journal
