Chapter 3: Test Chamber 10. In the main room, there is a deadly laser up ahead, and an aerial faith plate that probably would catapult you directly into the laser's path if you stepped on it. So instead of doing that, make a portal way up on the wall opposite the cube that some platforms are bouncing around. Then go over to the deep pit on the side of the room and create a portal of the opposite color on the floor in there.
