John puts worship back on God, Christ, and the Holy Spirit where they belong. Not in some emotional fervor brought on by music, ordered in a manner, that centers on how we feel. Rather the heart of worship, that focuses on God for who he is and what he has done for us and worshipping him in a manner more consistent with the Word.

To worship Him in form alone (in spirit), meaning without truth (the Word of God), is a worshipping God in vain and worshipping in truth alone without the human spirit is just playing church. Dr. John MacArthur said that “The Word of God and the worship of God are linked by God’s Spirit” (P. 161). Without these elements, we are not worshipping God in the fullest, any more than we would be if we approached God with an impure heart and dirty hands.

“In the Tabernacle there were no seats. The Israelites didn’t go there to sit and be ministered to, and they certainly didn’t go there for entertainment. They went there to worship God and serve Him. If they had a meeting for any other purpose, they had it somewhere else.” ? John F. MacArthur Jr., *Worship: The Ultimate Priority*

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. *Let the Nations Be Glad!* is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Offers step-by-step instructions on planning creative Sunday worship services that combine the efforts of pastors, volunteers, and worship leaders.

Worship is dialogue. It is more than that, but it is not less than that. The way Baptists have worshiped for three and a half centuries demonstrates this

consistently, in spite of their penchant for freedom and autonomy. No one tells Baptists how to order their worship services. They don't have a common liturgy that they must follow, and yet their services look remarkably similar. This is largely due to two controlling factors in their worship: The Bible that they embrace as inspired, inerrant, authoritative, and sufficient; and the Christ-revealing gospel that is contained within its pages. When the word of God is followed closely, a shape for worship order begins to emerge. It is the same "gospel-shape" that is found throughout the Bible. When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation, a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship. He is so glorious that when we behold him, we are transformed into the same image from one degree to another. This is the power of corporate worship (2 Cor 3).

Based on solid scriptural truths, "The Silent Shepherd" shares how God's Spirit can guide, lead, and empower every believer.

Christ's divine power has granted to us everything pertaining to life and godliness. —2 Peter 1:3 Pure Christianity needs no embellishment whatsoever. We find complete sufficiency in Christ and His provision for our needs. But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world. So they look for something more—an emotionally exciting and self-edifying experience not found in God's Word. This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences, causing many modern believers to mix biblical truths with seemingly helpful man-made methods such as mysticism and psychology. As a result, they wallow in a watered-down, pseudo-Christianity that has been drained of its vitality, effectiveness, and security. In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error. It will make you newly aware of how completely God provides—and give you a renewed understanding of what it means to be "complete in Christ."

A startling 85% of churches in the US are plateaued or declining, a trend that has been building for the past fifty years. In the face of shrinking attendance and lagging spiritual growth, pastors and church leaders are understandably discouraged and demoralized. But the first step to turning things around is hope. Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church. God can and does restore churches to new life, even as he restores individuals. The street-smart ideas and step-by-step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future.
